Your story	Hi, We live in Ingleside NSW , This year we missed out on a catastrophic fire ,but mark my words the scene is set to have one of the worst fire disasters in the Sydney metropolitan area in the coming bushfire seasons. We live in an area surrounded by National Parks ,and unmanaged and unmaintained State Government land. The lack of Fire Land management in the National parks and the State Owned ,and council owned land around us is criminal . Please Please Please address. this is the same cause of this years bushfires .
