Your story

I am a single mother of two boys 1 and 4 years old .
Over the summer we evacuated from the house that I had bought to keep my kids safe twice .
We lived at my mums a lot of the time , we were on high alert constantly.
My local fire station at oakdale doesn't even have running water .
We had all my valuables out of the house .
The kids lived in a constant state of stress,
No Christmas tree,
We didn't know what was happening most of the time .
Shortly after this during the huge rains my house flooded , 40 grand worth of damage .
We need action on climate change !
