Your story	Have been fighting these fires since October. My main concern was the night of the 30/13/2019. Just to long to put into words.
1.1 Causes and contributing factors	Logging and the left over off cuts left behind
1.2 Preparation and planning	Total clean up, or mulching for quicker brake Dow.
1.3 Response to bushfires	Needs to be more hazard reductions need to be completed with the lengthy periods to get them approved. Night time water bombing to attack more intense fires at night.
1.4 Any other matters
