Your story

This was an extremely terrifying time. We live up a road off Williamson dr. There is only one way in and one way out. There are many trees and heaps of undergrowth all on council land but they say it is not a problem. We beg to differ. We have dead trees, trees that have been hit by lightning, trees have fallen down and landed on Centenary drive, which is very popular for locals and tourist. All our neighbours have the same concerns. Approx. 10 months ago RFS were going to do a burn and clear the area but it rained and they didn't return.
