## Share your experience or tell your story

Your story

I have seen the effects of the 10/50 Clearing Code misused by property owners in Sydney suburbs within 100m of parks and bushland where trees have been destroyed for the convenience of property owners and to make it easier to clear blocks prior to redevelopment.

I am sure this was an inadvertent result from a well-meaning initiative but can the review stop this from happening in urban areas please?

## Terms of Reference (optional)

The Inquiry welcomes submissions that address the particular matters identified in its [Terms of Reference](#).
