Your story	<p>Tenterfield Showground was used as emergency centre in the September Bushfires.</p> <ul style="list-style-type: none">- Kitchen was hired out to feed the fireman for 23 days invoice sent to RFS no payment to this day made.- Over 10 helicopter were in the main showground ring for over 30 days flying in an out. Due this we lost all the topsoil from the ring. Had to shut the showgrounds down for 2 months to repair and restore the ring back to a safer surface to hire it out again. This cost us \$28,000.00 and RFS will not help cover this cost!- Windows were smashed from helicopters flying around.- Ring lights were blown. \$2000.00 to repair.

We have meet up with RFS, called etc nothing. They have said they need more evidence that all the above damage was from helicopters.

We lost income when we had to close the showgrounds down for couple of months to fix everything.

I am just very disappointed in the mannerism in the RFS and lack of communication or any communication with Showground Trust after they left the showgrounds. There was no contact! Nothing I have been calling and emailing for weeks on end trying to get some answers as to where we go how we stand with invoice! To this day I have received nothing!! We are broke!

RE: INVOICE BPC1425

Dear Ms Petty

In reference to the above invoice dated 9 October 2019, we advise these repairs were necessary due to excessive winds caused by helicopters in the showground during the recent fires.

These winds have caused the cables to short circuit and contactor to overload & burn out.

Yours faithfully

JAMIE O'NEILL

TENTERFIELD SHOWGROUND LAND MANAGER

Mr. Wes Hoffman
Tenterfield Shire Council
Rouse Street,
TENTERFIELD NSW 2372

30th October 2019

Dear Wes,

Re: Evidence of loss of income to the Tenterfield Showground during and after the Tenterfield/Drake Fires.

Due to the showgrounds being hired out to the RFS during the fires and then the state that the showgrounds were left we were unable to hire out the grounds.

- Archery club were booked in on 4-7th October, they had to cancel due to their archery club being burnt down in the fires.

30 campers @ \$25.00 per night \$750.00 per night x3 nights \$2250.00, they also hired out the shearing shed for 3 nights +\$500.00. **Total \$2750.00**

- Tenterfield Pony Club hired the grounds for their annual Mini Pony Camp- 11, 12 & 13th October. **\$1800.00** hire showgrounds x 3 days. (Whole Complex Hire per day \$600.00)
- Tenterfield Pony Club hire the grounds for Interclub Pony Club-1,2 & 3rd November. **\$1800.00** hire showgrounds x 3 days. (Tenterfield Pony Club hired Glen Innes Showgrounds for the event!)

Total loss of income for these 3 events totals is **\$6350.00**

Thanking You

Kasey Petty
