

Richmond Flood Fm.

15 APRIL 2022

My mother was
A DAUGHTER OF
AN ORIGINAL SETTLER OF GLENCOE
CORAHI, BORN IN 1895. SHE
WORKED THE PROPERTY ON HORSES
WHICH WENT HALF WAY TO RADDVILLE.
AFTER EVERY FLOOD HIS MORE
PEOPLE WOULD SAY. TUNNEL
UNDER FROM TUCKER TO BALLINA
TO SAVE 14 MILES OF TRAVEL.
AS SOON AS IT GETS TO THE
OCEAN IT IS GONE. SWAN
BAY WAS LEVIED & SHE SAID IT
WOULD BE BETTER TO DRAIN
THROUGH NEW ITALY, TO GET RID
OF THE SURPLUS WATER. DONT
DAM IT DOWN RIVER ONLY ABOVE
HIS MORE TO SAVE GOOD WATER.
THE CHANNEL BELONGED SWAN
TO EVANS RIVER, WIS ONLY 6 FOOT

DEET BEFORE A FLOOD &
AFTER IT WAS 30 FOOT DEEP
THE TUNNEL TO BALLINA
COULD BE ABOVE TIDAL HEIGHT
NOT TO AFFECT GRAZING. THE
TRENCH NEAR LISMORE AIRPORT
WAS A WASTE OF MONEY, AS
WATER HAS TO SPREAD OUT
AS THE TIDE CONTROLS THE
FLOW. I LIVED AT GLENCOE
IN 1939. I RODE 3 MILES TO SCHOOL
AT BORA RIDGE. IN A CYCLONE
A JAKARANDA TREE SMASHED
THE VERANDA. I TOOK A 2,000 GAL
TANK WHICH WAS FULL OF WATER
200 METRES AWAY. THEN WE PULLED
THE CORN INTO A BOAT. YOUNG PIGS
DIED FROM MOSQUITO BITES. SORRY
FOR THE WRITING AS I HAVE HAD
A STROKE ALSO ARTHRITIS. HOPE
THIS WILL HELP YOUR INQUIRY.
THANK YOU
