Subject: Lismore Business - rebuilding feedback
Date: Tuesday, 10 May 2022 10:16:32 AM

Hi

I'm writing on behalf of the owner of the Café whom I met at the Lismore Town Hall last week – who is comfortable with me making this submission on behalf.

As a small business owner of the Café which is located on the premises of in Lismore, observed, with frustration that there was no adequate co-ordination of food supplies for small businesses from the nearby distribution centres.

This prevented a faster restoration of his business to customers.

Thanks
