Your story

Our whole house was inundated with water. It was so terrible it went 1.55m Above the 1 in 200 yr flood surveyers level from our recent build.

Terms of Reference (optional)

The Inquiry welcomes submissions that address the particular matters identified in its [Terms of Reference](#)

1.1 Causes and contributing factors

Excessive rain and I believe that the lack of drainage from building the new highway near Telegraph Point is to blame.
