Submission details

I am making this submission as

A resident in a flood-affected area

Submission type

I am making a personal submission

Consent to make submission public

I would like this submission to remain anonymous

Share your experience or tell your story

Your story

In one of the caravan parks in Chinderah couldnt get through to SES to get everyone to safety

Terms of Reference (optional)

The Inquiry welcomes submissions that address the particular matters identified in its [Terms of Reference](#)

1.2 Preparation and planning

Need to have a siren for when to evacuate instead of spending hours door knocking every single house when more people could be alerted

1.3 Response to floods

The SES needs more funding and supplies and people who are trained to get into the water

1.5 Recovery from floods

More shipping containers at the Chinderah flood hub so they can get more donation in and get an electrical board to be able to test white goods coming in

1.6 Any other matters

Maybe set up a place to have SES boats ready because earlt on the highway closes and they cant get through
