Your story

Our house was inundated up to above our knees the whole way through our house  
We left our house when it was 1/2 way up our calves and rising from below  
We have damage throughout the entire house, contents and all large appliances were lost

## Terms of Reference (optional)

The Inquiry welcomes submissions that address the particular matters identified in its [Terms of Reference](#)

---

**1.1 Causes and contributing factors**

The areas drainage system backed up and couldnt cope with the amount of water trying to escape  
the pump that usually eases this burden was not working and the culvert from the swamp was open and not shut like it was supposed to be  
lack of maintenance by the council is what I believe contributed to my house being inundated as well as the amount of water falling

---

**1.2 Preparation and planning**

by the council needs to be done

---

**1.5 Recovery from floods**

Recovery has not begun yet, as services have been extremely slow or non existent
