Terms of Reference (optional)

The Inquiry welcomes submissions that address the particular matters identified in its [Terms of Reference](#)

1.1 Causes and contributing factors

Extraordinary amount of rainfall in the last 6-12 months.

1.2 Preparation and planning

Freak of nature incident. Not a great deal more could've been done to prepare the town for the outcome.

1.3 Response to floods

Poor on so many levels.

1.4 Transition from incident response to recovery

Better than above, but not by much.

1.5 Recovery from floods

Will be a Herculean effort to bring this city back from the ashes. Far too little is being done from the absolute top all the way down.

1.6 Any other matters

The community spirit of my fellow hometown Lismore people has been nothing short of mind blowing! If this can't break us, nothing ever will.
