Submission details

I am making this submission as A resident in a flood-affected area

Submission type I am making a personal submission

Consent to make submission public I give my consent for this submission to be made public

Share your experience or tell your story

Your story I had heard that an SES boat located in Broadwater was unable to be accessed by, or used by civilians as they didnt have the appropriate permission. As a result, the boat was heard to be swamped by floodwater and was unable to assist in rescues. If this is true, the circumstances regarding this scenario should be investigated.
