Share your experience or tell your story

Your story	<p>My partner was paddling around in a tin boat with her sister saving people in laural ave and diedem street. Where was the ses? No where, they told people they couldnt rescue people until daylight. So instead a bunch of untrained people went and did it in transport that was not adequate.</p> <p>This was of course after no warning to evacuate</p>

came.

Terms of Reference (optional)

The Inquiry welcomes submissions that address the particular matters identified in its [Terms of Reference](#)

1.3 Response to floods What response? Government has forgotten. And the adf used the first day as a pr opportunity taking photos of themselves.

1.5 Recovery from floods Theres been no help. How do you rebuild a house with 23 grand ?
