**Your story** At 8:30 pm I had to pack my 3 children up and wade through water knee deep pouring rain , to get to higher ground earlier that day I had asked if we were safe everyone said yes we lost everything . It was not the flood itself but the drains backing up outside hunter st it started first and then it met the flood this would not have happened if there was a better drainage system ,

I am saddened to see that your council let it get like this !!!

<b>1.1 Causes and contributing factors</b>	Better drainage system for the whole area and enclosed streets
<b>1.2 Preparation and planning</b>	Make more canals and better pumping systems and plenty more drain out this water to dryer land !!!
<b>1.3 Response to floods</b>	Get your personal out at night seems police and rescue did not care that people needed help that night !!! Real heroes worked at night !!
<b>1.4 Transition from incident response to recovery</b>	Do not mix alcoholics , drug users and rapests in a hall full of children in the evacuation centre my children were at risk due to no fault of our own !! It was a disaster and with nowhere else to go due to surrounding waters of the town we had no other choices
<b>1.5 Recovery from floods</b>	More food help , trauma counselling for all , more stable accommodation after losing everything !
<b>1.6 Any other matters</b>	Bullying needs to be address in your town !
