Submission details

I am making this submission as	A resident in a flood-affected area
Submission type	I am making a personal submission
Consent to make submission public	I give my consent for this submission to be made public

Share your experience or tell your story

Your story	We had no chance to evacuate, as the waters came in too fast. We had two small boats, myself, partner, my 89 year old father and two lots of neighbours climbed into the boats. We arrived at Wardell Bridge in shock, and we are still in shock.
