**Your story** I lived for 8 years in a 2 bedroom unit a block from river in CBD with my 2 youngest of 5 kids after escaping DMV  
Worked in CBD a block away and going full time week of first flood after working part time thru Covid periods  
My flat got water up to my waist line so everything gone or mud affected and trashed

The Business I work for wiped out as well  
I am now in temporary housing in a cabin at sth  
ballina and as so isolated had to use government  
flood payment to buy a car  
More issues seriously; my daughter should be  
studying for HSC not looking for a new place to  
rent each day  
Help me get my life back & my kids  
Please someone
