Submission type I am making a personal submission

Consent to make submission public I give my consent for this submission to be made public

Share your experience or tell your story

Your story I live in one of the valleys north of Lismore alongside Jiggi Creek.
1. Causeways were washed away and we were flooded in for about a week after both the February and March floods
2. I don't have direct mobile service at my home, I rely on landline and mobile thru the ADSL
Both landline and power went down early in the

morning of February 28th. I was without both power and phones for nearly 2 weeks
My children were extremely worried about my welfare, as they were flood stranded on the east side of the flooded river in Lismore
