Your story We live at railway street south Murwillumbah. We lost everything in the 2017 floods with no insurance. Rebuilt our house ourselves and moved back in. Have insurance this time though it appears we need some info on funding for house buyback scheme. We are on the list from 2017 and it seems that this is an endless list with no hope of funding. We have been paying the

same rates as people in town. We have been sacrificed to save the town. This was supposed to be a 1 in 100 year event yet 5 years later it is worse. Please help us find a way to get out of this unsafe street. Where is the funding???

Terms of Reference (optional)

The Inquiry welcomes submissions that address the particular matters identified in its [Terms of Reference](#)

1.1 Causes and contributing factors

The levee wall has exacerbated the situation. Our insurance is through the roof and can we still insure this property.
