Dear Sir/Madam

Have made a submission and wish to add.....

As the viability of Lismore CBD itself is questionable, it is difficult to make future plans .  
Questions arise such as.....

1. Viability of staying in house after repair.
2. Can the house (mortgaged) be sold and my family afford to relocate?
3. Will Lismore itself be relocated ?
4. Will there be a buyback scheme?

Thanking you for your time  
Yvonne Jessup
